

Two postdoctoral positions in Solar System small bodies

Two new postdoctoral positions are available in the [Sim and Data Lab Astronomy and Astrophysics](#) at Forschungszentrum Jülich in Jülich, Germany.

Duration: 2 years (fixed start date: 1 January 2026)

Application deadline: 17 September 2025

One of the positions focuses on comparing observations of trans-Neptunian objects with various theoretical models. The other position investigates the significance of interstellar objects in galactic-scale processes.
